Shape Up Indonesia

“ I saw an opportunity to change the the health and fitness industry in South Asia. ”

COUNTRY	Indonesia
INDUSTRY	Healthcare
WEBSITE	http://www.shape-indonesia.com/

COMPANY SNAPSHOT

As the first medically-supervised health care service focusing on obesity and weight loss in Indonesia, Shape Up is helping countless women and men through treatments combining medical, psychological, and cosmetic therapies. The clinics offer patients a comprehensive selection of drug regimens, quick fat-reduction treatments, group therapy programs, sessions with personal trainers, and healthy meal plans.
