COMPANY SNAPSHOT

A serial entrepreneur since the age of 19, Jaime is at the forefront of the movement to modernize healthcare in Mexico. His company, Health Digital Systems (HDS) provides Mexico's hospitals, clinics, state health departments, and health insurance providers with a common, web-based software platform (and complementary training) that enables them to digitize and share records and processes that have been traditionally managed on paper.

HDS was selected as a “top 10 entrepreneur” as ranked by *CNN Expansion*.

ENDEAVOR AND HDS

In addition to local mentorship, networking, strategy breakfasts, media appearances, and support in forming an advisory board, Jaime has participated in a venture capital forum in Monterrey.
