“Captain Thabet,” as he is known to his staff, founded Challenger Team with the goal of inspiring individuals to become productive and responsible leaders. Challenger Team develops leadership training programs and adventure camp experiences, which teach life skills to youth while promoting adventure tourism. Challenger Team trains over 20,000 students annually and has extended its offering to include corporate retreats and customizable adventure and training tours. With a Jordanian tourism market valued at US\$2.8 billion and growing, Thabet is well-positioned to expand, continuing to inspire Jordan’s youth to become the leaders of their generation.
